

ADDENDUM #8  
RFQ 24-001

**Bowden Street Tank Painting and Inspection**

This addendum is being issued to address questions submitted on RFQ 24-001

Q1. Does the city want a logo to be a part of the scope of work for this project? If so, is it to match the existing logo? How many sides?

**A1. Match existing.**

Q2. Will the city pull the water samples and pay for Bac-T?

**A2. Yes**

Q3. Please confirm seed and straw of the site will be acceptable for site restoration.

**A3. Yes**

Q4. Has the interior of the tank ever been brush sandblasted and overcoated? If so, how many coats? Provide as much detail about past projects as possible.

**A4. Unknown**

Q5. Has the interior of the tank ever been painted with 100% solids epoxy? If so, what was the film thickness?

**A. Unknown**

Q6. Was there any paperwork or agenda passed out at the pre-bid meeting?

**A6. No**

Q7. Can you provide more information on the repairs that you want included in the proposal?

**A7. No repairs should be included. Those will be additional as they are discovered. If you would like to go ahead and add them as an additional cost into the proposal it would be appreciated.**

Q8. Can you tell me if the NACE inspector that the contractor is to provide is to be on site full-time or are they just to perform periodic inspections?

**A8. Periodic as needed as determined by the inspector.**

Q9. The documents state that we are to submit an original, copy and an electronic copy. Is the electronic copy to be provided on a thumb drive that we include in our proposal?

**A9. Correct**

Q10. Documents state that we are to submit a vendor master form. Where do we find this form?

**A10. It can be found under the RFQ documents on our website.**

Q11. Will 110/220-volt power be available at the site for use?

**A11. Power is available.**

Q12. Will the tank be painted on interior and exterior?

**A12. The tank must be painted interior and exterior as specified.**

Q13. Are there any specific paint or surface prep requirements for the painting? There are a wide range of options and availability for surface preparation and paint manufacturers that can greatly affect pricing and long-term performance.

**A13. Please refer to Addendum #2**

Q14. Where is the current Vendor Master Form requested in 1.12?

**A14. <https://commercega.gov/business/bid-opportunities> under the Bowden Street Tank file**

Q15. Will the current logo be replaced as was during the painting?

**A15. The logo shall be replaced as is.**

This addendum should be signed and returned with your proposal. Failure to do so may result in the proposal being non-responsive.
