☐ **Temporary Electrical Power is Requested for Construction and Startup of Equipment and Building System Testing**

1. The General Contractor and the Electrical hereby assume all responsibility for any use of electrical power at this building site until the project has received its Certificate of Occupancy.
2. This Temporary Conditional Electric Service is being granted as a convenience for the Contractor/Permit Holder. Violation, such as any unapproved occupancy or use of power for other purposes than being requested, will be considered sufficient cause for the power to be terminated, as well as denial of future requests for Temporary Power by the Contractor/Permit Holder. The City of Tucker also reserves the right to have the temporary power removed at any time it feels that the safety of workers or any other persons may be in danger due to the Temporary Electrical Power.
